### HOW RECORDS ARE ESTABLISHED

Candlepin record scores (scratch) may only be established on ICBA sanctioned/regulation lanes after July 26, 1989. Exceptions: New Hampshire and Massachusetts where sanctioned/regulation scores have existed.

- Record scores must be bowled under controlled conditions i.e. league play, published tournaments, all aspects of TV rollofs, state/provincial events, all aspects of pro and amateur tours.
- The foul line rule must be in force.
- Approved balls and pins must be used.
- At least one weeks advance publicity must be given.
- There must be at least four bowlers in a regular published shift, minimum two bowlers per lane.
- The original starting lineup must be used throughout.
- The current ICBA rulebook must govern all play.
- Notification must be made within 24 hours and lane inspection within 72 hours.
- Complete rules govern. See proprietor master sheet.
- New records are noted by. \*
- Scores updated each year, record scores as of 06/01/05.
